माया ड. केम, डी मुख्य निरीक्षक,

(Office of the Chief Controller of Imports and Exports)

New Delhi, the 3rd September, 1991

S.O. 2348.—M/s. Chemtrolls Engineering (Pvt.) Ltd., Amar Hill Saki Vihar Road, Powai, Bombay were granted an import licence No. P/F/0351545 dated 7-6-1990 for Rs. 39,12,090 for import of spares from GCA.

The firm has applied for issue of Duplicate copy of Customs purpose copy of the above mentioned Import licence on the grounds that the original Import Licence has been lost after having been registered with Air Cargo Complex (Customs House), Bombay and utilised partly.

In support of their contention the licensee has filed an affidavit on stamped paper duly sworn in before a Notary Public, Bombay. Accordingly I am satisfied that the import licence No. P/F/0351545 dated 7-6-1990 has been lost. In exercise of the powers conferred under sub clause 9(CC) of the Import (Control) Order 1955 dated 7-12-1955 as amended the said I.L. No. PF/0351545 dated 7-6-1990 issued to M/s. Chemtrolls Engineering Pvt. Ltd., Bombay is hereby cancelled.

A duplicate Import licence is being issued to the party separately.

भूमि मंत्रालय

नई दिल्ली, 27 अगस्त, 1991

का. भा. 2354:—औद्योगिक विवाद अधिनियम, 1947 (1947 का 14) की धारा 17 के अनुसरण में, केन्द्रीय सरकार बिलगी प्रोजेक्ट आफ म. एस. ई. सी. एल. के प्रबंधन के संबंध नियोजकों और उनके कर्मचारों के बीच, अनुबंध में निर्दिष्ट औद्योगिक विवाद में केन्द्रीय सरकार औद्योगिक अधिकरण, जबलपुर के पंचपट को प्रकाशित करती है, जो केन्द्रीय सरकार को 22-8-91 को प्राप्त हुआ था।

MINISTRY OF LABOUR

New Delhi, the 27th August, 1991

S.O. 2354.—In pursuance of Section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Central Government Industrial Tribunal, Jabalpur as shown in the Annexure in the industrial dispute between the employers in relation to the management of Balgi Project of M/s. S.E.C. Ltd. of their workmen, which was received by the Central Government on the 22-8-91.

ANNEXURE

BEFORE SHRI V. N. SHUKLA, PRESIDING OFFICER,
CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-
CUM-LABOUR COURT, JABALPUR, (M.P.)

Case No. CGIT/LC(R)(130)/1987

PARTIES:

Employers in relation to the management of Balgi Project of M/s. S.E.C. Ltd., Post Bankimongra, Dis-

trict Bilaspur (MP) and their workman, Shri Bhupendra Singh, P.R. Loader, represented through the Chattishgath Khadan Karkhana Mazdoor Union, Bankimongra, Post Bankimongra, District Bilaspur (M.P.)

APPEARANCES:

For Union—Shri Rambilash Shebhnath.

For Management—Shri P. S. Nair, Advocate.

INDUSTRY : Coal Mining DISTRICT : Bilaspur (M.P.).

AWARD

Dated : August 14th, 1991

This is a reference made by the Central Government, Ministry of Labour, vide its Notification No. L-2102/102/86-D.II (B) dated 15-7-1987, for adjudication of the following dispute :—

“Whether the action of the management of Balgi Project of S.E.C. Ltd., in terminating the services of Shri Bhupendra Singh, P.R. Loader is justified? If not, what relief is the workman entitled to?”

2. In the instant case, the workman was employed as Piece Rated Loader vide Order dated 25-7-1985. He joined on 15-9-1985. After medical examination he was sent for Vocational Training. Under the Vocational Training Rules he attended training from 6-10-85 to 30-10-85.

3. According to the workman, when he joined his duty on 31-10-85 he was not permitted to be joined. While according to the management he absented himself. Obviously no departmental enquiry was held in the instant case as it was not found necessary according to the management.

4. No evidence has been led by either party in support of their respective cases, documentary or oral. Thus we have to go by the presumption.

5. Certainly the workman had no reason not to join the duties. It was for the management to show that he absented himself without any rhyme or reason and accordingly his services stood terminated or were terminated. There is no evidence to show that a notice was issued to him to join his duty. That being so, it has to be presumed that the workman was not permitted to join his duties, hence he could not join it.

6. The result is that he would be deemed to be in service from 31-10-1985 with continuity in service, but in the circumstances of this case no back wages or monetary benefits are awarded. The management is directed to take the workman on duty as soon as he joins. The period of his absence shall, however, be treated continuity in service. Thus the order of termination of the service of the workman dated 16-3-1986 is liable to be and is hereby set aside. Reference is answered as under :—

The action of the management of Balgi Project of S.E.C. Ltd. in terminating the services of Shri Bhupendra Singh, P.R. Loader is not justified. He is entitled to be reinstated with effect from the date of termination i.e. 16-3-1986 but without back wages or any monetary benefits. He shall, however, be allowed continuity in service. No order as to costs.

V. N. SHUKLA, Presiding Officer

[No. L-21012/102/86 D.II(B)]

क. आ. 2355.—औद्योगिक विवाद अधिनियम, 1947 (1947 का 14) की धारा 17 के अनुसरण में, केन्द्रीय सरकार कान्हन एरिया आफ डब्ल्यू सी एल. के प्रवन्धन के तबद्ध नियोजकों और उनके कर्मचारों के बीच, अनुबंध में निर्दिष्ट औद्योगिक विवाद में केन्द्रीय सरकार औद्योगिक अधिकरण, जबलपुर के पंचपट को प्रकाशित करती है, जो केन्द्रीय सरकार को 22-8-91 को प्राप्त हुआ था।

S.O. 2355.—In pursuance of Section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Central Government Industrial Tribunal, Jabalpur as shown in the industrial dispute between the employers in relation to the management of Kanhan Area of W.C. Ltd. workmen, which was received by the Central Government on 22-8-1991.

ANNEXURE

Employers in relation to the management of Kanhan Area of W.C. Ltd. P.O. Durgaria, District Chhindwara (M.P.) and their workmen Smt. Kureshbhai, represented through the General Secretary, M.P.K.K.M.P. (HMS) Union, P.O. Jannardeo, District Chhindwara (MP)

APPEARANCES :

For Union—Shri G N. Shah,

For Management—Shri Rajendra Menon, Advocate.

INDUSTRY : Coal Mining DISTRICT : Chhindwara (MP)

AWARD

Dated, the 14th August, 1991

This is a reference made by the Central Government, Ministry of Labour, vide its Notification No. L-21012/31/87-

D.II(B) dated 14-10-1987, for adjudication of the following dispute :—

"Whether the action of the General Manager in denying correction in the date of birth of Smt. Kureshbhai, worker on the basis of certificate issued by Gram Panchayat, Morkha Village is fair and justified? If not, to what relief the worker is entitled?"

2 In the instant case, the workwoman sought change of her date of birth from 1-7-1927 to 7-4-1934 on the basis of her affidavit (Ex. W/1), Certificate from the office of the Gram Panchayat, Morkha (Ex. W/2) and Medical Report (W/4). It is alleged that despite representations the management refused to correct her date of birth. She has been retired on 1-7-1981 on the basis of date of birth recorded with the management. The said recording was wrong because she was illiterate.

3. The management in substance states that in Form B register and other various Registers the date of birth shown is 1-7-1927. Objections to get the date of birth to be corrected were invited and notification was made but the workwoman never came forward with the objection that her date of birth has been wrongly recorded. Hence she is estopped from challenging the same. That apart, documents adduced by the workwoman in support of her case are not reliable. Hence the reference is liable to be rejected.

4. The work-woman examined herself and proved documents Ex. W/1 to Ex. W/4. On the other hand, management has proved four documents Ex. M/1 to Ex. M/4.

5. At the out set it can be pointed out that the workwoman came forward with her claim much belated. It appears to have been made on 29-2-1987 as per Ex. W-3 which is copy of the letter of the Personnel Manager addressed to the representative of the work-woman. No other evidence has been led to show that the objection in regard to correcting the date of birth was raised by the work-woman earlier.

6. While right from the beginning of the service as per Form B (Ex. M/1) and claim Form for refund of Provident Fund (Ex. M/4) the date of birth has been recorded as 1-7-1927. That apart, Notice Ex. M/2 was issued on 10-11-1982. There is nothing on record to show that in compliance to this Notice any objection was raised by the workman concerned.

7. The evidence adduced by the work-woman in regard to her age obviously is not convincing. Affidavit can be sworn at any time. It was sworn for the first time on 23-10-1986. Certificate from the Gram Panchayat (Ex. W/2) was issued on 20-1-1986 in regard to the age of the work-woman. This certificate has not been duly proved either for calling the record of the Kotwar or examining the Sarpanch of the village. Medical Certificate Ex. W/4 is too vague to be relied upon. She appears to have been examined on 8-1-1987 on which date the Doctor certified that she is about 60 years old. According to this certificate also there could be variation of five years of age on either side. Thus at the time of her examination as per this certificate she could be 65 years old.

8. That being so, her case cannot be found favour. That apart, it is highly belated. I accordingly answer the reference as follows without any order as to costs :—

The action of the General Manager in denying correction in the date of birth of Smt. Kureshbhai, worker on the basis of certificate issued by Gram Panchayat, Morkha Village is fair and justified. She is not entitled to any relief. No order as to costs.

14-8-1991,

V. N. SHUKLA, Presiding Officer

[No. L-21012/31/87-D.II(B)]

का. आ. 2356 :—औद्योगिक विवाद अधिनियम, 1947 (1947 का 14) की धारा 17 के अनुसरण में, केन्द्रीय सरकार डामुआ कोलियरी आफ डब्ल्यू. सी. एल. के प्रबन्धन के संबद्ध नियोजकों और उनके कर्मचारों के बीच, अनुबंध में निदिष्ट औद्योगिक विवाद में केन्द्रीय सरकार औद्योगिक अधिकरण, जबलपुर के पंचपट को प्रकाशित करती है, जो केन्द्रीय सरकार को 22-8-91 को प्राप्त हुआ था।

S.O. 2356.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Central Government Industrial Tribunal, Jabalpur as shown in the Annexure in the Industrial Dispute between the employers in relation to the management of Damua Colliery of W.C. Ltd., of their workmen which was received by the Central Government on the 22nd August, 1991.

ANNEXURE

BEFORE SHRI V. N. SHUKLA, PRESIDING OFFICER,
CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-
CUM-LABOUR COURT, JABALPUR (M.P.)

CASE NO. CGIT/LC(R)(180)/1987

PARTIES :

Employers in relation to the management of Damua Colliery of W. C. Ltd., P.O. Damua, District Chhindwara (M.P.)

AND

Their workman Shri Ismail Khan, represented through the General Secretary, Bhartiya Koyala Khadan Mazdoor Sanigh (BMS), Chandametta, P.O. Palachourai, District Chhindwara (M.P.).

APPEARANCES :

For Workman—Shri A. B. Chatterjee.
For Management—Shri G. R. Bhandari, Director (Personnel).

INDUSTRY : Coal Mining. DISTRICT : Chhindwara (M.P.)

AWARD

Dated : August 12, 1991

This is a reference made by the Central Government, Ministry of Labour, vide its Notification No. L-21012/14/87-D.III(B) dated 7th September, 1987, for adjudication of the following dispute :—

"Whether the action of the manager, Damua Colliery of Western Coal Field Limited in fixing the pay of Shri Ismail Khan on his promotion to clerk Grade II at Rs. 798 P.M. on 1st May, 1985 is correct and justified. If not, to what relief the workman is entitled?"

2. This reference was made by the Central Government and registered in this Tribunal in September, 1987. Parties filed their respective statement of claims and the case was being fixed for filing of rejoinder, documents and framing of issues till 23rd January, 1991 on which date both the parties prayed for time to file the settlement. Therefore, 7th September, 1991 was fixed for filing of settlement. But on this date parties stated that the settlement is yet to be finalised and prayed for another date which was granted.

3. On 30th July, 1991 at Parasia the Union representative Shri A. B. Chatterji stated that the Union does not want to proceed with the case. Since the Union does not want to proceed with the case a No Dispute Award is passed with no order as to costs

[No. L-21012/14/87-D.III(B)]

V. N. SHUKLA, Presiding Officer

का. आ. 2357 :—औद्योगिक विवाद अधिनियम, 1947 (1947 का 14) की धारा 17 के अनुसरण में, केन्द्रीय सरकार मै. कोल माईन्स लेबर वेलफेयर आरगना-नाइजिंग जगजीवन नगर, धनबाद आफ डब्ल्यू. सी. एल. के प्रबन्धन के संबद्ध नियोजकों और उनके कर्मचारों के बीच, अनुबंध में निदिष्ट औद्योगिक विवाद में केन्द्रीय सरकार औद्योगिक अधिकरण, जबलपुर के पंचपट को प्रकाशित करती है, जो केन्द्रीय सरकार को 22-8-91 को प्राप्त हुआ था।

S.O. 2357.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Central Government Industrial Tribunal, Jabalpur as shown in the Annexure in the Industrial Dispute between the employers in relation to the management of M/s. Coal Mines Labour Welfare Organisation, Jagjiwan Nagar, Dhanbad of W.C. Ltd., of their workmen, which was received by the Central Government on the 22nd August, 1991.

ANNEXURE

BEFORE SHRI V. N. SHUKLA, PRESIDING OFFICER,
CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-
CUM-LABOUR COURT, JABALPUR (M.P.)

CASE NO. CGIT/LC(R)(33)/1989

PARTIES :

Employers in relation to the management of M/s. Coal Mines Labour Welfare Organisation Jagjiwan Nagar, Dhanbad and the General Manager, Western Coalfields Ltd., Kanhan Area, Chhindwara (M.P.)

AND

Their workman Smt. Rambai wife of Mana, represented through the General Secretary, M.P.K.K.M.P. (HMS) Post Junnardeo, District Chhindwara (M.P.).

APPEARANCES :

For Union—Shri G. N. Shah.

For Management—S/Shri G. R. Bhandari, Director (Personnel) and A. K. Shasi, Advocate.

INDUSTRY : Coal Mines. DISTRICT : Chhindwara (M.P.).

AWARD

Dated : August 13, 1991

This is a reference made by the Central Government, Ministry of Labour, vide its Notification No. L-22012(149)/88-D.4(B) dated 22nd February, 1989, for adjudication of the following dispute :—

"Whether the action of the Management of Officer on special duty, Coal Mines Welfare Organisation, Jagjiwan Nagar, Dhanbad and of the General Manager, Western Coalfields Ltd., Kanhan Area, Chhindwara in stopping Smt. Rambai wife of Mana from duty and not paying her the prescribed rates of wages is proper and justified? If not, to what relief the workman concerned is entitled?"

2. At the request of the parties the case was taken up at Parasia on 30th July, 1991. On last date of hearing rejoinder and documents were filed by the workman and the management sought adjournment for filing documents. The case therefore was fixed for filing of documents by the management and admission and denial of the documents by the parties. But the parties appeared on 30th July, 1991 and agreed to the following terms :—

1. The workman shall get herself registered in the Employment Exchange if not so registered and intimate of her registration with U.E. to the management.

2. As soon vacancy occurs due weightage shall be given to her past service with C.M.W. while recruiting Sweepers.

3. The above terms are just and legal. I, therefore, record my award in terms as agreed by the parties. Parties shall bear their own costs.

APPEARANCES :

For Workman/Union.—S/Shri Radhey Shyam and C. Bhattacharji.

For Management.—S/Shri G. R. Bhandari, Director (Personnel), D. Mewar and A. K. Shashi Advocate

INDUSTRY : Coal Mining.—DISTRICT : Chhindwara (M.P.).

AWARD

Dated, August 12, 1991

This is a reference made by the Central Government Ministry of Labour, vide its Notification No. L-21012/92/86-D III B/D IV(B) dated 5-8-1988, for adjudication of the following dispute :—

"Whether the action of the Management of Sukri Colliery of W.C. Ltd., Kanhan Area, P. O. Junnardeo, Distt. Chhindwara in not promoting/regulating Sri Bipathlal Vishwakarma, Civil Mate as Works Supervisor is justified? If not, to what relief the workman concerned is entitled?"

2. The workman concerned had filed an affidavit along with 18 documents in support of his case. The case was fixed for cross examination of workman and further evidence of parties. On 30-7-1991 at Parasia after mutual discussions parties agreed to the following terms :—

"Parties agreed that the case of Sri Bipathlal Vishwakarma shall be taken up for promotion to Clerical Gr. II in the next D.P.C. to be held within two months from today."

In this view of the matter Union does not press the reference. Since the claim of the workman concerned has been settled I record a No Dispute Award. Parties shall bear their own costs.

New Delhi, the 27th August, 1991

S.O. 2359.—In pursuance of Section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the Award of the Central Government Industrial Tribunal-cum-Labour Court, Kanpur as shown in the Annexure, in the industrial dispute between the employers in relation to the management of State Bank of Indore and their workmen, which was received by the Central Government on the 26-8-89.

ANNEXURE

BEFORE SHRI ARJAN DEV, PRESIDING OFFICER,
CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-
CUM-LABOUR COURT, PANDU NAGAR, KANPUR

Industrial Dispute No. 115 of 1988

In the matter of dispute between :—

Asstt. General Secretary,
N.C.B.E. through,
State Bank of India,
Mahal Chowk,
Alwar (Rajasthan).

AND

Regional Manager,
State Bank of Indore,
Region-III,
4, Maharaja Pratap Nagar-II,
Rood House,
Bhopal.

AWARD

1. The Central Government, Ministry of Labour, vide its notification No. L-12012/84/88-D-3(A) dt. 7-9-88, has referred the following dispute for adjudication to this Tribunal :—

"Whether the action of the management of State Bank of Indore, Bhopal is justified in not continuing in service the workmen, Shri Mukesh Srivastava and Miss Alka Ahuja from 15-2-84 and 2-10-86 respectively? If not, to what relief are the workmen entitled?"

2. In the instant case the workmen after availing of seven opportunities filed rejoinder on 17-1-1991, whereupon the case was fixed for 5-3-91 for filing of the affidavit evidence. On 5-3-91 and 29-4-91 the case was adjourned on the applications of the workmen. 1-7-91 was the date for filing of the affidavit evidence on behalf of the workmen but despite knowledge none appeared from the side of the workmen nor they filed affidavit evidence.

3. Thus from the conduct of the workmen and circumstances of the case it appears that the workmen are least interested in prosecuting their case. Therefore, a no claim award is given in the case against the workmen.

4. Reference is answered accordingly.

ANNEXURE

BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL NO. 2, AT BOMBAY

PRESENT :

Shri P. D. APSHANKAR

Presiding Officer

Reference No. : CGIT-2/10 of 1987

PARTIES :

The Employers in relation to the Management of Grindlays Bank, Bombay.

AND

Their Workmen

APPEARANCES :

For the Management.—Mr. P. K. Rele, and Mr. P. M. Palshikar Advocate.

For the Workmen.—Mr. B. W. Vaidya Advocate.

INDUSTRY : Banking. STATE : Maharashtra.

Bombay, dated the 19th August, 1991

AWARD

The Central Government by their order No. L-12011/21 86-D.IV(A) dated 20-1-1987 have referred the following industrial dispute to this Tribunal for adjudication under section 10(1)(d) of the Industrial Disputes Act, 1947

"Whether the action of the Management of Grindlays Bank, p.l.c. in relation to its Bombay offices in refusing to provide armed escorts to its workmen who accompany cash in transit, is justified? If not, to what relief are the concerned workmen entitled?"

2. The case of the Grindlays Bank Employees Association as disclosed in the statement of claim (Ex. 2) filed by its General Secretary, in short, is thus :—

Till 18-3-1984, the Grindlays Bank used to provide Police Armed Guard escorts to accompany the Cash Vans. This practice was discontinued from 19-3-1984. By the letter dated 22-3-1984 the Association of the employees drew the attention of the management about the discontinuance of the armed guards. However, the Bank management did not restart the practice again. Hence the Association raised an industrial dispute before the

Regional Labour Commissioner (Central) Bombay. As the conciliation proceedings ended in failure the Central Government made the reference as above. The continuance of the armed guards either from the Police or from the other bodies like the Security Guards Board (constituted by the Maharashtra State in 1981) is essential for the protection of the cash as well as the staff employees accompanying the cash. This has become necessary in view of the increasing attacks on the Bank persons everywhere including in the Maharashtra State. A study in this aspect has been made by the Indian Banks' Association. Mere insuring the cash, or incurring the staff employees accompanying the cash in remittance, does not solve the question of personal safety of the staff employees. The Association, therefore, prayed that this Tribunal should direct the Bank management to continue to provide the armed guards escorts to accompany the cash.

3. The Chief Manager (Administration) of the said Bank by his written statement (Ex. 3) opposed the said prayer of the Association, and in substance contended thus :—

The service conditions of the Bank employees are governed by the Shastri Award, the Desai Award, and the different bi-partite settlements etc. The Bank is not under any obligation to appoint armed guard compulsorily under any statute, settlement, Award, Agreement, or otherwise. Therefore, the Union (Association) cannot compel the Bank to appoint an armed guard from amongst the working staff. As regards the provision of the supply of the Police Escorts, the true facts are thus :—

The Bank was provided with two armed Police Escorts by the Police Department, Bombay. However, from 19-3-1984 the Police Department discontinued providing the police escort to the Bank. The Bank was informed by the Police department that the police escorts would be provided as and when available. It was told to the Bank management by the police department that due to the strike of the dock workers, and as the law and order situation in Bombay had deteriorated, the policemen were required to be engaged there, and as such, the police escorts could not be provided to the Bank. As the police department could not assure the Bank of the uninterrupted supply of the armed escorts, the Bank had no alternative but to discontinue the arrangements with them. On enquiries, the said Bank found that some of the other Banks were also not providing the armed police escorts for transporting the cash. The Bank's amount as well as the workmen accompanying the Bank's amount in transit are insured by the Bank. Hence the Bank could not continue providing the police escorts, as was done earlier.

4. The Bank management further contended thus :—

Eventhough the police had discontinued providing the armed guards to the Bank, the Bank continued making efforts to provide adequate security arrangements. The Bank had the arrangement with the Office of the Commissioner of Police and they started providing the Bank with one head constable and three constables on a daily basis. They report for duty at 9.30 am and escort the cash from the basement to the cash department on the ground floor. They leave the Bank after 5.30 p.m. From 9.30 am to 5.30 pm one armed police constable is always on duty in the hall of the Bank. As far as the cash in transit is concerned, the Bank made private security arrangements with the Cavellers Travels and Cash Vans, and they are providing the Bank with one trained and experienced armed guard from 14-7-1986 for escorting the cash in transit. As such, the issue in question does not survive as the alternative arrangements have already been made by the Bank to provide the armed guard for escorting the cash.

5. While the written statement, as above, was filed by the Bank management on 29-6-1987, the Bank management during the course of the evidence filed the affidavit of (Ex. 11) of the Senior Manager Industrial Relation, namely, Shri Chidambaram Krishnamurthy on 24-4-1990. He stated in his affidavit that as the provisions of the Indian Arms Act did not permit the providing of the private security arrangements, the Commissioner of Police objected to the providing of the armed guards by the said private agency, i.e., the Cavaliers Travels and Cash Vans, and also discontinued providing the armed guards to the Bank. (As such, no armed guards are now accompanying the cash in transit.)

6. The Issues framed at Ex. 4 are —:

- (1) Whether the Grindlays Bank, Bombay, is under no obligation to appoint an armed guard compulsorily under any statute, agreement, settlement, Award, or otherwise?
- (2) Whether the Bank was justified to discontinue providing the Police Armed Guards escorts to accompany cash vans, on the ground that:
 - (a) The Policemen could not be made available to them by the Police Department?
 - (b) The Cash of the Bank was insured?
 - (c) The workmen who accompanied the cash, were insured?
- (3) Whether the action of the management of Grindlays Bank, p.l.c. in relation to its Bombay Offices in refusing to provide armed escorts to its workmen who accompany cash in transit, is justified?
- (4) If not, to what relief are the concerned workmen entitled?
- (5) What Award?

7. My findings on the said Issues are:—

- (1) Yes.
- (2) (a) No.
(b) No.
(c) No.
- (3) No.
- (4) As per Award below:—
- (5) As per Award below:—

REASONS

8. Shri S. M. Naik, the General Secretary of the Bank's Union filed his affidavit (Ex. 5) in support of the case of the Union. He was cross-examined on behalf of the Bank management. The Senior Manager (Industrial Relations) of the Bank, namely, Shri Chidambaram Krishnamurthy filed his affidavit (Ex. 11) in support of the case of the Bank management, and he was also cross-examined on behalf of the Union. According to the Union, the Government of India had appointed the High Power Working Group to study the security arrangements of the Bank and in the Bank, and that working group had appointed a sub-committee to consider the matter, and to lay out the guidelines. This fact is not disputed by the Bank management. The documentary evidence on the record which supports the case of the Union is thus:—

(a) Ex. 6 is a copy of the letter dated 8-11-1985 by the General Manager of the Bank of India addressed to the Managers of all the branches of the Bank, regarding the implementation of the recommendations of the High Power working Group. This letter stated that in view of the recommendations of the High Power Working Group, and in view of the security to the Bank's cash in the premises and in transit, the Bank had worked out certain procedure to ensure maximum safety of the Bank's assets. One of the steps taken and suggested by the Bank of India was that a remittance of cash of Rs. 5 lakhs and above and not exceeding Rs. 10 lakhs must be escorted by atleast one armed guard/escort, and a remittance of cash of Rs. 10 lakhs and

above must be escorted by atleast two armed guards/escorts. Similar steps were taken by The Andhra Bank, and the Oriental Bank of Commerce.

(b) Ex. 7 is a copy of the letter dated 22-7-1987 by the General Manager of the Andhra Bank which stated that the cash remittance of Rs. 5 lakhs and above will be accompanied by one armed guard, and a cash remittance of Rs. 10 lakhs and above will be accompanied by two armed guards, a cash remittance of Rs. 25 lakhs and above will be accompanied by three armed guards, and the remittance of Rs. 50 lakhs and above will be accompanied by 4 police guards.

(c) Ex. 8 is a copy of the letter dated 12-3-1984 by the Assistant General Manager (Gen. Admn.) of the Oriental Bank of Commerce addressed to all the officers of its branches. This letter stated that the following precautions are recommended:—

- (1) All remittances exceeding Rs. 5 lakhs should be accompanied by an armed escort.
- (2) In all cases of remittances exceeding Rs. 10 lakhs should be escorted by two armed guards.

9. A question was asked in the Rajya Sabha by a member of the Rajya Sabha to the Minister of Finance as to what steps the Government has taken to prevent the Bank robberies, and the answer given on 2-8-1988 by the State Minister of Finance was that depending on the risk factor involved, steps have been taken to appoint security guards etc. in the branches of the Bank. Ex. 9 is a copy of the said question and answer. Ex. 13 is a copy of the letter by the Executive of the Indian Bank's Association addressed to all its member Banks, dated 1-8-1984. It is an admitted fact that the Grindlays Bank in question is a member of the Indian Banks' Association. The said letter stated that the Government of India had set up a High Power Working Group to examine the security problems faced by the Banks, and the Government of India had circulated the report of that working group to the Public Sector Banks advising them to take immediate steps for implementing the recommendations made by that Working Group. This letter further stated that the Government had constituted a sub-committee to examine the existing arrangements, and to suggest the further measures for strengthening the security arrangements in the Banks. The recommendations made by the High Power Working Group and the sub-committee have been referred to above. It is, therefore, advisable that the Bank management of the Grindlays should also implement them. Ex. 14 is a report of the said sub-committee. This report stated that the cash remittances should, to the extent possible, be accompanied by atleast two employees, one of whom will be an employee of the cash department and the other, a member of the security staff—preferably an armed guard, and all remittances exceeding Rs. 5 lakhs should be accompanied by an armed escort. (vide page No. 14, Clause 6.3 (ii) of that report). It is seen from the letter dated 6-3-1984 (Ex. 18) from the Office of the Commissioner of Police that two head constables and five police constables were provided by the Commissioner of Police to the Bank to escort the cash. However, this arrangement was later on withdrawn by the Police Department from 19-3-1984 due to the strike of the Dock Workers. Thereafter the Bank had secured the assistance of the Security Armed Guards from a private agency mentioned above. However, as the Police had objected to it, the said private agency could not supply its armed guards to the Bank. Hence, the present industrial dispute came to be espoused.

10. It is true that the Bank management is not bound under any law, bi-partite settlement, or Award etc., to provide the armed guards to the employees accompanying the cash. However, in view of the recommendations made by the High Power Working Group and the sub-committee appointed by the Government of India, as above, it is just, proper, and advisable for the Bank to make the necessary arrangements in the matter. It may be noted that the Bank initially had taken the help of the armed guards from the Police Department and thereafter from the private agency. As such, the Bank had since the beginning a sincere desire to make arrangements of armed guards. Therefore it is not just and proper for the Bank to discontinue that practice, and

should restart it. It is true that the Police Department had withdrawn rendering the help of the armed guards to the Bank in 1984 because of the strike of the Dock Workers. However, thereafter, a period of more than six years has elapsed. As such, the Bank management may again move the Police Department to render its help in the matter, or should make arrangements from any other agency.

11. It is true that the amount of the Bank which is to be carried, is insured with the Insurance Company, and the person accompanying it, is also insured to the extent of his two years' salary. However, this fact alone is not sufficient, and does not solve the real problem. The life of the person accompanying the cash is to be saved. Mere compensation by the insured amount does not solve the difficulties of the heirs of an unfortunate deceased employee, if any. Hence, the remittance of the cash amount must be accompanied by armed guards. According to the Bank management the aim of the robber is to take away the cash, and not to attack the person carrying the cash. However, if that person would resist, the robber would cause serious injuries to him, and his life would be in danger. Hence the police escort is absolutely essential.

12. The contention of the Bank that the Bank, in its discretion, may not implement the suggestions and recommendations of the said sub-committee, is not at all acceptable, as it is not just and proper. According to the Bank management, since the private escort was discontinued from January 1989, there is the smooth working, and no unwarranted incident has taken place. However, with a view to safeguard the property of the Bank and to save the life of the employee concerned in future, the assistance of the escort is necessary. According to the Bank management, this Tribunal has no jurisdiction to interfere with the discretion of the Bank management and to compel it to provide the armed guards. However, this contention is also not tenable in law in view of the specific reference made by the Central Government to this Tribunal and the further request to suggest and direct the relief the concerned workmen are entitled to.

13. In the result, for the reasons mentioned above, the Issue Nos. 1 to 4 are found as mentioned above. The following Award is, therefore, passed.

AWARD

14. The action of the management of Grindlays Bank, P.L.C. in relation to its Bombay Offices in refusing to provide armed escorts to its workmen who accompany cash in transit is not just and proper. The Bank management should take immediate steps to secure the assistance of the armed guards either from the Police Department or from any other section, to escort the remittance of the cash amount.

15. The parties to bear their own costs of this reference. 19th August, 1991.

S.O. 2361.—In pursuance of Section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Central Government Industrial Tribunal No. 2, Dhanbad as shown in the Annexure in the industrial dispute between the employers in relation to the management of Barari Colliery of M/s. BCCL and their

workmen, which was received by the Central Government on the 22nd August, 1991.

ANNEXURE

BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL (NO. 2) AT DHANBAD

PRESENT :

Shri B. Ram, Presiding Officer.

Reference No. 26 of 1987

In the matter of an industrial dispute under Section 10(1)(d) of the I.D. Act, 1947

PARTIES :

Employers in relation to the management of Bararee Colliery of M/s. Bharat Coking Coal Limited,

AND

Their Workmen.

APPEARANCES :

On behalf of the workmen—Shri R. N. Mondal, Assistant Secretary, Rashtriya Colliery Mazdoor Sangh.

On behalf of the employers—Shri R. S. Murthy, Advocate.

STATE : Bihar.

INDUSTRY : Coal.

Dated, Dhanbad, the 14th August, 1991

AWARD

The Government of India, Ministry of Labour in exercise of the powers conferred on them under Section 10(1)(d) of the I.D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-24012/91/86-D.IV(B), dated, the 9th January, 1987.

SCHEDULE

“Whether the action of the management of Bararee Colliery of M/s. BCCL in not allowing Shri Manjur Ansari, M.C.L. to resume duty with effect from 1st October, 1985 is justified? If not, to what relief the workman is entitled?”

In this case both the parties appeared and filed their respective W.S. documents. Thereafter the case proceeded along its course. Subsequently at the stages of oral evidence, both the parties appeared before me and filed a Joint Compromise petition. I heard both the parties on the said petition of compromise and I do find that the terms contained therein are fair, proper and beneficial to both of them. Accordingly I accept the said petition of compromise and pass an Award in terms thereof which forms part of the Award as Annexure.

B. RAM, Presiding Officer

Employers in relation to the Management of Bararee Colliery of BCCL, P.O. Bararee, District, Dhanbad.

AND

Their Workman.

Joint compromise petition of the employers and the workman

The above mentioned employers and the workmen most respectfully beg to submit as follows :—

(1) That the employers and the workmen have jointly negotiated the matter covered by the above reference with a view to arrive at a mutually acceptable and amicable overall settlement.

(2) That as a result of such negotiation the employers and the workmen have agreed to settle the matter on the following terms and conditions:—

- (a) It is agreed that the management has already allowed the workman concerned Shri Manzur Ansari, MCL to resume duty with effect from 5th March, 1986 and that he will continue to work in that capacity.
 - (b) It is agreed that the workman concerned will be paid 50 per cent of the wages that he was drawing at the time of his dismissal from service for a period of three months from 1st October, 1985 and that the remaining period will be treated as extraordinary leave without pay.
 - (c) It is agreed that the workman concerned will have continuity of service.
 - (d) It is agreed that this is an overall settlement in full and final settlement of all the claims of the workman concerned and this Sponsoring Union arising out of the above reference.
- (3) That the employers and the workman hereby jointly declare that they consider the aforesaid terms and conditions of settlement are fair, just and reasonable to both the parties.

In view of the above the employers and the workman jointly pray that the Hon'ble Tribunal may be pleased to accept this joint compromise petition and give an award in terms thereof and dispose of the above reference.

On behalf of the employers.—Shri R. S. Murthy, Advocate.

STATE : Bihar

INDUSTRY : Coal.

Dated, Dhanbad, the 19th August, 1991

AWARD

The Govt. of India, Ministry of Labour in exercise of the powers conferred on them under Section 10(1)(d) of the I.D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. 1-24012/195/87-D-4(B), dated, the 26th July, 1988.

SCHEDULE

“Whether the action of the management of Tapin South Colliery of M/s. C.C.L. in dismissing S/Shri Jagdish Chauhan and Dineshwar Mahato with effect from 6-8-86 is legal and justified ? If not, to what relief the concerned workmen are entitled ?”

2. As per allegation the workmen concerned namely S/Shri Jagdish Chouhan and Dineshwar Mahato both piece rated workers of Tapin South Colliery were found taking illegal gratification from the customers of the local sales trucks on 31-1-83 while they were on general shift duty. On the following day they were chargesheeted and called upon to show cause. They filed showcause denying allegation of the chargesheet. The explanation submitted by them were found to be unsatisfactory and so there was an order for departmental enquiry. As alleged after due enquiry the workmen were found guilty and hence they were dismissed by the management with effect from 6-8-86.

3. After reference the workmen through their W. S. have challenged and fairness and propriety of the departmental enquiry which according to them was illegal, arbitrary and unjustified. The management examined 2 witnesses namely Shri K. D. Singh, and K. L. Kundu as management's witness on 25-2-83 and closed the management's case. The concerned workmen were asked to give their statement and to produce their defence witness. The statement of the workmen were recorded on 25-3-88 and they were also cross-examined by the management's representative and also by the Enquiry Officer. No defence witness was examined. As alleged arguments were advanced by both the parties and the Enquiry Officer gave his finding holding the workmen concerned not guilty of the charges levelled against them. But the management was determined to victimise the concerned workmen by dismissing them from their service. It was alleged that the management examined 2 further witnesses on 20-1-84 and 17-2-84 after closure of the defence case and conclusion of the argument on 25-3-83. One of the above managements witness has deposed against the concerned workmen and his evidence alone was the basis for converting the original finding of not guilty into “Finding of guilty” by the Enquiry Officer.

4. It was submitted through the W. S. that the Enquiry Officer did not follow the principles of natural justice in examining further management's witness after closure their argument.

5. As said above ultimately both the workmen were found guilty and they were chargesheeted. Both the concerned workmen submitted show cause stating that they did not take any illegal gratification from the customers of the local sale trucks on 31-1-83 or any other date and that the charges brought against them were untrue and vague against them.

6. The management also submitted W. S. stating that on the alleged date of the occurrence Shri R. Ram, Supdt. of Mines

in the Vigilance department at head office of CCL at Ranchi visited Tapin South Colliery and during the course of surprise inspection both the workmen were seen taking illegal gratification from the customers in the process of local sale of coal. Both the workmen were taken to the office of the Manager of Tapin South Colliery where the confessional statements were recorded. They confessed to have accepted illegal gratification from the customers and the amount accepted by them were also produced. Thereafter on 1-2-83 both the workmen were issued with chargesheet by the Colliery Manager, Tapin South Colliery under the Model Standing Orders. The workmen submitted identical explanation which was considered and the same was found to be not satisfactory. As stated above the enquiry was held and the Enquiry Officer submitted his report stating that the workmen were guilty of the charges framed against them. The report of the Enquiry Officer was considered by the competent authority and his finding were accepted. Considering the gravity of the misconduct the management came to the conclusion that it was a fit case of dismissal of the concerned workmen and hence both the workmen were dismissed from service of the management with effect from 7-8-86.

7. In view of the facts noted above the main point for consideration would be whether the management has been able to prove the charges against the two concerned workmen and the order dismissing them from service with effect from 6-8-86 is legal and justified and secondly to what relief the concerned workmen are entitled ?

8. Admittedly, on the relevant date and time of alleged occurrence both the workmen were employed as pecc rated workers in Tapin South Colliery. They were alleged to have been caught red handed by Shri R. Ram, Supdt. of Mines in Vigilance department while accepting illegal gratification from the customers. The fairness and propriety of the domestic enquiry was considered by the Tribunal as preliminary issue. While deciding the issue the then Presiding Officer held that the enquiry was held fairly and properly and it was in accordance with the principles of natural justice. It was further held that the point whether it was legal for the enquiry officer to further examine management's witness after close of the enquiry on 25-3-83 was proper affecting merit of the case will be heard at the time when the case is heard on merit.

9. As I do not think the propriety of examining 2 further witnesses on behalf of the management can be discussed at this stage when the enquiry on the whole has been held to be fair and proper. I feel any examination or consideration of this aspect of the matter will be an exercise in futility since the matter has been kept open. It may incidentally be noted that the enquiry was conducted in 2 phases. First enquiry conducted on 25-3-83 and the report was submitted. Again after about 8 months it was reopened on 9-11-83 and 2 more witnesses were examined. Before examining 2 further witnesses the workmen had raised serious objection about the fairness of enquiry. However, they subsequently joined the enquiry, cross-examined the witnesses but their objection remained on the paper. In this connection the evidence of the Enquiry Officer namely Shri R. D. Pandey may be looked into. He has stated that after first phase of enquiry he submitted his enquiry report but his higher authority directed him to take further evidence in the enquiry. He stated that at the first instance the workmen objected to the holding of the further enquiry. Subsequently they agreed and participated in the enquiry. According to him the second phase of enquiry was taken up on 9-11-83. He has denied that he was pressurised by any superior officer to give his finding against the two concerned workmen. The witness has also proved certain documents which have been marked exhibits. The enquiry report is Ext. M-6. His signature on the Enquiry report is Ext. M-7. Two dismissal orders of the concerned workmen are Ext. M-9 and M-9/1. Be that as it may I find that the enquiry has already been held fair and proper and so no purpose will be served by examining this aspect of the matter because the examination of two further witnesses form part of the enquiry proceeding. In the circumstances, I may propose to examine the evidence and other materials available on the record just to ascertain as to whether the finding recorded by the Enquiry Officer holding the concerned workmen guilty were justified or not.

10. Shri K. D. Singh was the first witness examined by the management before the Enquiry Officer. He has stated

that the Vigilance Officer had caught two concerned workmen namely Dineshwar Mahato and Shri Jagdish Chouhan while taking illegal money from the customers of local sale trucks. The witness was cross-examined by the co-workers wherein he admitted that he was not present when the vigilance officer caught aforesaid two workers taking illegal gratification. In this way the statement of this witness has virtually belied the management's case. The next witness examined by the Enquiry Officer was Shri K. L. Kundu, C.M.T.S. Admittedly he was not the witness so have seen the occurrence with his own eyes. He simply stated that in his presence Shri Jagdish Chouhan kept Rs. 174 on his table and when the Vigilance Officer asked him about money Shri Chouhan told that he had got the money from the customers of local sale as gratification. According to him similar incident occurred with Dineshwar Mahato also when he was brought to my office by the same vigilance officer and a sum of Rs. 200 was found with Shri Dineshwar Mahato who also told that he had taken money from the customers of the local sale trucks. The witness lastly stated that in his opinion the amount was illegal gratification. In cross-examination he admitted that he is the chargesheet issuing authority. During the course of submission it was pointed out by the learned counsel for the management that these two workmen had confessed their guilt which was reduced into writing by Shri Kundu. They had confessed that they accepted money from the customer by way of tips. The learned counsel urged that the handsome amount to the tune of Rs. 150 and 174 will not come within the ambit of tips and it was all in all an illegal gratification. The contention so raised appears to have got some substance but the question is that the confessional statement was recorded by Shri Kundu, the Colliery Manager who was also the chargesheet issuing authority. The workman in their statement have denied to have accepted any such amount from their possession. It may also be noted that the two concerned workmen are illiterate and there is no certificate on the congressional statement to the effect that it was read over to the workmen concerned who put their LTI after having found them to be correct. Of course there is certificate that the statement was recorded without any threat or coercion but since the workmen concerned were illiterate persons it was all the more necessary to certify that the confessional statement was read over and explained to them. Shri Jagdish Chouhan in his statement has stated in very clear terms that the statement was not read over to him. He stated that some one obtained his LTI but he being illiterate did not know what was written on the paper. He was not allowed to call any co-worker or any other person of his choice for reading the contents on which his LTI was taken. Shri Dineshwar Mahato also stated in his statement that his LTI was taken by some officers in presence of Colliery Manager T.S. for which he objected. In this way we find that both the concerned workmen refused point blank to have accepted any illegal gratification. We have examined the evidence of two witnesses recorded by the Enquiry Officer but they were of no help to the management.

11. I will examine the evidence of Shri R. Ram, the Vigilance Officer and Shri R. Tewary, Asstt. Security Officer Simultaneously. Shri R. Tewary appears to be a chance witness. On the alleged date he stated to have gone to see the arrangement of volley ball match where Shri R. Ram, the Vigilance Officer met with him. Shri Ram asked him to accompany to Tapin South colliery where a raid was to be conducted. The evidence of Shri R. Ram will disclose that he was not alone rather 2 to 3 officers were also with him. He stated that his team consisted of himself, Bijoy Swarup, LWO(T) and Benoy Kumar both LWO too. In this way it is apparent that four persons had moved to the place of occurrence but on the way Shri Tewary as stated by him was asked to stay back otherwise he may be recognised by the workmen. Shri Tewary stated that after about half an hour the Vigilance officer and his companion brought two concerned workmen and told that they have been caught red handed while accepting bribe. Shri Tewary stated that the statement of both the workers were recorded in his presence where they confessed to have accepted the amount as tips (Bakhshi). At this very stage I may refer to the evidence of the Vigilance Officer who has stated in very clear terms that he at first caught one workman and straightway brought him to the office of Colliery Manager Shri K. L. Kundu where he

disclosed his name as Jagdish Chouhan, Shri Ram further stated that he asked Shri Kundu to record the statement of Shri Chouhan and while the statement was being recorded he again went back to the colliery where he found another concerned workman accepting money from the customer. Shri Ram brought that workman also to the office of Shri Kundu who disclosed his name as Dineswar Mahato. In this way Shri Ram stated that both the workmen were caught and brought to the office of the Colliery Manager not at a time but one after another at some interval whereas Shri Tewary stated that both the concerned workmen were caught and brought together. This suggestive of the fact that Shri Tewary did not see any part of the occurrence and his statement cannot be accepted as true.

12. Now remains the only witness Shri Ram who is the Vigilance Officer-cum-main prosecuting officer. Now the question arises as to whether anybody can be held guilty on the sole testimony of the Vigilance Officer unsupported by any witness. No reasonable explanation has been brought forward as to why his two other companions who had accompanied in the raid were not examined. Shri Ram has been cross-examined by the workmen. He has stated that he cannot name the customers from whom the workmen concerned had accepted illegal gratification. This is all the evidence available on the record. From discussions made above it is crystal clear that Shri R. Ram is the only witness to state about the facts and there is no other witness to support this fact. I do not think that solitary statement uncorroborated by any other witness can be made a base for holding any workman guilty of the charges.

13. In view of the facts, evidence, and circumstances of the case discussed above, it will appear that the charges against the two concerned workmen have not been proved and accordingly the following Award is rendered :—

- (1) That the order of dismissal of the concerned workman is not justified;
- (2) That both the concerned workmen are to be reinstated in their original post with half back wages from the date of their dismissal from service to the date of their reinstatement.

The management is directed to reinstate the concerned workmen in their original jobs with payment of half back wages and other consequential benefits from the date of dismissal to the date of reinstatement within one month from the date of publication of the Award.

This is my Award.

B. RAM, Presiding Officer.

Dhanbad, the 20th August, 1991

AWARD

By Order No. L-20012/155/89-I.R. (Coal-I), dated, the 12th February, 1990 the Central Government in the Ministry of Labour, has, in exercise of the powers conferred by clause (d) of sub-section (1) and sub-section (2-A) of Section 10 of the Industrial Disputes Act, 1947, referred the following dispute for adjudication to this Tribunal :

“Whether the management of M/s. IISCO Ltd. Chasnalla Colliery, P.O. Chasnalla, Dist. Dhanbad is justified in treating Shri Ganesh Chandra Mandal, as Part-time Compounder and paying consolidated wages of Rs. 600 per month at present ? If not, whether the workman is entitled for regularisation as a Compounder and scale of pay etc. as per various National Coal Wages Agreement ?”

2. The case of the management of Chasnalla Colliery of M/s. IISCO, Dhanbad, as disclosed in the written statement-cum-rejoinder, details apart, is as follows :

There exists no valid industrial dispute as defined in Section 2(k) of the Industrial Disputes Act in the eye of law in the present case. The person concerned is not a member of the sponsoring union and so the union is not competent to raise the present dispute. The present dispute is barred by the doctrine of estoppel, waiver, acquiescence and quiescence etc. The management of M/s. IISCO has a rope-way running from Chasnalla in Bihar to Burnpur in West Bengal over a length of about Sh. K.Ms. The said ropeways have different stations—driving and non-driving. Stations A to F are in Bihar and other stations i.e. G to K are in West Bengal. The management has a Steel Plant at Burnpur (Assansol) in West Bengal. Washed Coal is carried through the ropeway from Chasnalla Washery to Burnpur Steel Plant. The management has posted for duty a few workers to the aforesaid stations from A to K for ensuring the operation of ropeway and its maintenance. The management has also dispensaries/hospitals at Chasnalla, Kulti and Burnpur where free medical aid is provided to the workers of the management. It became necessary to provide medical aid in the shape of first aid or the most elementary medical aid to the workers posted at the intermediate stations. G. C. Mandal, the concerned person, was originally entertained as a part-time worker to provide first aid or most elementary medical aid to the ropeway workers at stations E and F (non-driving stations) on 1-5-1976 on a consolidated remuneration of Rs. 100 per

month per station i.e. Rs. 300 P.M. Remuneration of Shri Mandal was increased from Rs. 200 to Rs. 300 per month from 1-7-1978 as he was asked to provide first aid/most elementary medical and to the workers at station 'G' from that date. The station 'G' is in West Bengal. Stations are located at short distances from each station. His allowance was increased to Rs. 600 per month. He visits different stations E, F and G on different dates on part time basis. In fact, the workers of stations E and F normally receive medical treatment/aid from Kulti Hospital of the management of M/s. IISCO or the hospital of the company at Burnpur Steel Plant. The time spent and the amount of work done by Shri Mandal is very negligible. Since Shri Mandal is not a workman within the meaning of Section 2(s) of the I. D. Act, he may gainfully engage himself during the rest of the period. The arrangement which the management had made with Shri Mandal is not arrangement for employment and it is a contract otherwise than employment. Shri Mandal is not entitled to be regularised as Compounder and to any scale of pay as per N.C.W.A. The N.C.W.A. is not intended to cover such cases of persons having part time arrangements with coal companies. The management does not any longer require him to continue the existing contract. In the circumstances, the action of the management is justified in treating him as part time Compounder and paying him consolidated wages of Rs. 600 per month.

3. The case of the concerned workman, as disclosed in the written statement submitted on his behalf by the sponsoring union, Bihar Colliery Kamgar Union, briefly stated, is as follows :

Ganesh Chandra Mondal had been working as permanent full time Compounder since long with unblemished record of service. He had put more than 240 days attendance in each calendar year as permanent full time Compounder. The anti-labour management resorted to unfair labour practice by paying him Rs. 200 per month as allowance which was increased to Rs. 300 in the year 1978 and later to Rs. 600 per month. The concerned workman repeatedly demanded of the management for wages and other facilities as per N.C.W.A. I to IV but without any effect. So the union raised an industrial dispute demanding regularisation and wages as per N.C.W.A., but the anti-labour management refused to settle the issue amicably and the appropriate Government has made the present reference for adjudication before this Tribunal. It is alleged that the action of the management in treating the concerned workman as part-time Compounder and paying him consolidated wages of Rs. 600 per month is illegal arbitrary unjustified and against the principles of natural justice. The union has prayed that an award be passed for reinstatement and regularisation of the concerned workman in service with retrospective effect and payment of back wages as per N.C.W.A. I, II, III and IV.

4. In rejoinder to the written statement of the sponsoring union, the management has stated that the arrangement made by the management with the concerned person has been elaborated in the written statement and anything contrary to that has been denied. It has been denied that the management resorted to any anti-labour practice and asserted that the action taken by the management is justified.

5. The parties arrayed have not laid any evidence, oral or documentary in support of their respective case.

6. Shri R. S. Murthy, learned Advocate for the has contended that there exists no valid industrial dispute as defined under Section 2(k) of the Industrial Disputes Act in the eye of law in the present case.

Section 2(k) of the Industrial Disputes Act reads as follows :

" 'Industrial dispute' means any dispute or difference between employers and employees, or between employers and workmen, or between workmen and workmen, which is connected with the employment or non-employment or the terms of employment or with the conditions of labour, of any person."

The concerned workman has been claiming regularisation as Compounder and scale of pay as per provisions of various N.C.W.As. The employers have been disputing his claim. Thus, obviously there exists difference between the employer and the workmen which is connected with his employment and terms of employment. This being so, in my view, there exists a valid industrial dispute between the parties arrayed in the present reference. Then again, Shri R. S. Murthy has contended that the concerned person is a part time workman and hence he is not a workman within the meaning of Section 2(s) of the Industrial Disputes Act.

Admittedly, the concerned workman was in the employment from before 1-7-1978. Hence, it can be easily concluded that he had been in service ever a long period. The definition of workman as given in Section 2(s) of the Industrial Disputes Act is sufficiently wide so as to include even the part time employees who have been in service ever a long period. In this connection the decision rendered by Gujarat High Court and reported in 1988 Lab. I.C. 505 (Govindbhai Kanabhai Maru Vs. N. K. Desai) is cited in support of the above proposition. Hence, I hold that the concerned workman is a 'workman' within the meaning of Section 2(s) of the Industrial Disputes Act.

7. Evidently the concerned workman was being treated as part time Compounder by the management and he was paid consolidated wages of Rs. 600 per month. The union has claimed that he was full time Compounder. But there is no evidence on this point. On the other hand, the terms of reference indicate that the management has been treating the concerned workman as part time Compounder and paying him consolidated wages of Rs. 600 per month. This being the position, I have no hesitation to conclude that the concerned workman was engaged by the management as part time Compounder and he was paid consolidated wages of Rs. 600 per month. The union has contended that this is unfair and unjustified. But there is no objective basis to hold so. On the other hand, the management has detailed the duties of the concerned workman in its written statement. According to the management the concerned workman was required to provide first aid or most elementary medical aid to the rope-way workers working at the stations E to G and that he was required to visit those stations on different dates on a part time basis and that the distance between these stations is short. In other words, it is the case of the management that the nature of work and the duty hours of the concerned workman are such that he has got no full time job. These statements of facts have not been denied by the sponsoring union. Hence, I hardly see any reason to uphold the case of the union that the management is not justified in treating the concerned workman as a part time workman.

His wages/emoluments are Rs. 600 per month. There is no objective basis to hold that such emoluments is meagre or not at par with the workmen similarly placed. Hence, the inescapable conclusion is reached that the management is justified in treating him as part time Compounder and paying him consolidated wages of Rs. 600 per month.

8. Accordingly, the following award is rendered—the management of M/s. IISCO Ltd., Chasnalla Colliery is justified in treating Ganesh Chandra Mondal as part time Compounder and paying him consolidated wages of Rs. 600 per month.

In the circumstances of the case, I award no cost.

Dated, the 19th August, 1991

AWARD

By Order No. L-20012/312/90-I.R. (Coal-I), dated, the 15th November, 1990, the Central Government in the Ministry of Labour, has, in exercise of the powers conferred by clause (d) of sub-section (1) and subsection (2-A) of Section 10 of the Industrial Disputes Act, 1947, referred the following dispute for adjudication to this Tribunal :

“Whether the action of the management of West Bokaro Colliery of TISCO Ltd., P.O. Ghatotand, Dist. Hazaribagh in dismissing Shri Shee Kumar Tripathy vide letter No. WBC/DM/5/25/785/87 dated 2-4-87 is justified ? If not, what relief the workman concerned is entitled ?”

2. The dispute was received in the office of this Tribunal on 19-11-90 and numbered as reference No. 262 of 1990. Thereafter notice were issued to the parties for filing their respective written statements. In response to the notice Shri B. Joshi, Advocate, appeared for the employers, but none appeared on behalf of the workman. Several adjournments were given to the workman to file written statement. Thereafter show-cause notice was issued to the concerned workman, but to no effect. In the circumstances, I am constrained to pass a ‘no dispute award’ in the present industrial dispute.

This is my award.

New Delhi, the 30th August, 1991

S.O. 2365.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Central Government Industrial Tribunal No. 2 Dhanbad as shown in the Annexure in the industrial dispute between the employers in relation to the management of Malkera Colliery of M/s. TISCO and their workmen, which was received by the Central Government on the 28-8-91.

ANNEXURE

BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL (NO. 2) AT DHANBAD

Reference No. 21 of 1987

In the matter of an industrial dispute under Section 10(1)(d) of the I.D. Act, 1947.

PARTIES :

Employers in relation to the management of Malkera Colliery of M/s. Tata Iron and Steel Company Limited.

AND

Their Workmen

PRESENT :

Shri B. Ram,
Presiding Officer

APPEARANCES :

On behalf of the workmen.—Shri J. P. Singh, Advocate.

On behalf of the employers.—Shri S. S. Mukherjee, Advocate.

STATE : Bihar.

INDUSTRY : Coal.

Dated, Dhanbad, the 22nd August, 1991

AWARD

The Govt. of India, Ministry of Labour, in exercise of the powers conferred on them under Section 10(1)(d) of the I.D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-20012/312/86-D.III (A), dated, the 8th January, 1987.

THE SCHEDULE

“Whether the action of the Management of Malkera Colliery of M/s. Tata Iron Steel Company Limited in dismissing from service their workmen, S/Shri Amrit Hari, Shambhu Hari, Sweepers and Laloo Hari, Category I Mazdoor in July, 1985 is justified ? If not, to what relief are these workmen entitled ?”

2. The reference was pending for evidence of the management when one of the concerned workman namely Shri Shambhu Hari Ex. Sweeper entered into compromise with the management. Incidentally it may be mentioned that there was 3 workmen out of whom only Shri Shambhu Hari, ex-Sweeper has entered into compromise as per terms and conditions enumerated as follows :—

(i) That Sri Shambhu Hari, Ex-Sweeper would be re-instated in his substantive post without any back wages or monetary benefits for the period

from his date of dismissal till the date of his re-instatement in terms of this settlement.

- (ii) That the period from the date of his dismissal till he joins his duty in terms of the settlement will be considered as if he was on leave without wages for the purpose of continuity of service only.
- (iii) That the concerned workman will be taken back in employment after the compromise petition is recorded by the Hon'ble Tribunal.
- (iv) That the parties will bear their own cost.
- (v) That the terms of this settlement are fair and proper."

3. Without much reference to the W.S. filed by the parties it may be mentioned that the concerned workmen, as alleged in the chargesheet had obstructed the road leading to Karam Dhowrah colony of Malkera colliery by grouting bamboos, Iron rails. They were asserting their own right over the land. However, the Welfare Officer, Malkera Colliery namely Shri S. C. Saxena informed that the land in question under plot No. 635, 636 and 911 belongs to Tisco. and according Shri Shambhu Hari and others were asked to remove their obstruction but they did not listen. On the contrary they disobeyed the order of the Welfare Officer and also misbehaved with him resulting in submission of chargesheet on the following day i.e. on 4-12-84.

4. The show cause filed was found not satisfactory and there was an order for domestic enquiry. Ultimately Shri Shambhu Hari and other 2 concerned workmen were dismissed from the service with effect from 30-7-85. Shri Shambhu Hari has completely denied the allegation levelled against him.

5. Since the matter has already been compromised in respect of Shri Shambhu Hari there is no need to give other details and hence an Award is passed in terms of the compromise petition which forms part of the Award as Annexure. The case with regard to other two concerned workmen will continue.

K. J. DYVA PRASAD, Desk Officer.

ANNEXURE

BEFORE THE PRESIDING OFFICER, CENTRAL
GOVERNMENT INDUSTRIAL TRIBUNAL NO. II,
DHANBAD

Ref. No. 21 of 1987

PARTIES :

Employers in relation to the management of Malkera Colliery of M/s. Tata Iron & Steel Co. Ltd., P.O. Jamadoba, Dist. Dhanbad.

AND

Their Workmen

The parties involved in this dispute beg to submit as under :—

- (i) That without prejudice to the respective contentions of the parties contained in their written statement the present dispute has been amicably settled between Shambhu Hari, Sweeper, Malkera Colliery one of the parties of the above reference case and the Employers.

TERMS AND CONDITIONS

- (i) That Sri Shambhu Hari, Ex. Sweeper would be re-instated in his substantive post without any back wages or monetary benefits for the period

from his date of dismissal till the date of his re-instatement in terms of this settlement.

- (ii) That the period from the date of his dismissal till he joins his duty in terms of the settlement will be considered as if he was on leave without wages for the purpose of continuity of service only.
- (iii) That the concerned workman will be taken back in employment after the compromise petition is recorded by the Hon'ble Tribunal.
- (iv) That the parties will bear their own cost.
- (v) That the terms of this settlement are fair and proper.

In view of the above circumstances, the parties pray that the above settlement may kindly be recorded and an Award passed in terms thereof.

For the Management :

नई दिल्ली, 28 अगस्त, 1991

का. अ. 2366.—औद्योगिक विवाद अधिनियम, 1947 (1947 का 14) की धारा 17 के अनुसरण में, केन्द्रीय सरकार सलाल हाईड्रो इलेक्ट्रिक प्रोजेक्ट, ज्योतिपुरम के प्रबन्धतंत्र के संबंध नियोजकों और उनके कर्मचारों के बीच, अनुबंध में निर्दिष्ट औद्योगिक विवाद में केन्द्रीय सरकार औद्योगिक अधिकरण, चंडीगढ़ के पंचपट को प्रकाशित करता है, जो केन्द्रीय सरकार को 26-8-91 को प्राप्त हुआ था।

New Delhi, the 28th August, 1991

S.O. 2366.—In pursuance of Section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Central Government Industrial Tribunal, Chandigarh as shown in the Annexure, in the industrial dispute between the employers in relation to the management of Salal Hydro Electric Project, Jyotipuram and their workmen, which was received by the Central Government on 26-8-91.

ANNEXURE

BEFORE SHRI ARVIND KUMAR, PRESIDING OFFICER,
CENTRAL GOVT., INDUSTRIAL TRIBUNAL-CUM-
LABOUR COURT, CHANDIGARH

I.D. 73/88

Durga Dutt Sharma

Vs.

Salal Hydro Electric Project.

For the workman.—Shri Kartar Singh.

For the management.—Shri R. L. Gupta with V. K. Gupta.

AWARD

Central Govt. vide gazette notification No. L-42012/150/87.D.II(B) dated 11th October 1983 issued U/s 10(1)(d) of the I.D. Act 1947 referred the following dispute to this Tribunal for decision :—

"Whether the action of the general Manager, Salal Hydro Electric Project, Jyotipuram, Reasi in terminating the services of Shri Durga Dutt Sharma, Security Guard is justified ? If not, to what other relief workman is entitled to ?"

2. Case set out in the claim statement by the petitioner that he served as security guard for 5 1/2 years. On 10-10-1984 his young wife expired in fire accident and his

daughter also died on 17-10-1984. Due to shock he fell ill and applied 4 days leave w.e.f. 11-1-1985 to 14-1-1985 and proceeded for home of his in-laws. There he fell ill and turned into a mad and thereafter some villagers took him to Nepal. He was got treated for mental condition, and wrote a letter to Assistant Engineer for the extension of his leave and again got mental trouble where he was treated from 15-1-85 to 11-1-87 (medical certificate annexed is not exhibited). It was further alleged that on recovery he came to the resptd, and submitted his joining report (annexed but not exhibited) which was not accepted and his services were terminated. He approached the higher authorities but no effect. It was further averred that before termination of his services no charge sheet was served, no inquiry was held against him and action taken by the respondent is against the provisions of standing orders and against the principal of natural justice.

3. Claim was contested by the respondent. Written Statement was filed, in which the plea was taken that he applied for the casual leave on the pretext of some urgent work and left the station without getting the leave sanctioned. Thereafter he sent another application dated 8-2-85 stating that he can not join duty. After waiting for nine months he was telegraphically directed on 16-11-85 to resume duty before 24-11-1985 but no response, and no application or intimation was received from the workman. Therefore, the management was fully justified to consider workman who was work charge employee had abandoned the employment of his own. It was further pleaded that workman remained absent from 11-1-85 without any intimation and whereabouts except letter dated 8-2-85 thus a period of absence is for more than two years. It is further averred that if it is assumed that the petitioner was sick in all these years even then the termination of the contract of the service on account of continued ill health is also excluded from the definition of 'retrenchment.' It was further pleaded that the medical certificate is false and procured because the doctor who issued the certificate was only a physician and heart specialist and not a neurologist who could treat the mental sickness as claimed by the petitioner. It was further averred that letter dated 8-2-85 simply stated that he is sick and can not resume duty and there is no intimation of any kind, seeking the leave or explaining the sickness. It was also stressed that under statutory standing order No. 17 of the establishment, workmen absent from service is considered to have left service of his own accord and prayed dismissal of the claim of the workman.

Replication was also filed reiterating the claim contained in the claim statement.

4. Workman in support of his case tendered his affidavit Ex. W1 and produced himself as WW1. In cross-examination he has admitted that he left the application in the office and left for his in-laws without getting it sanctioned. The application is Ex. M1. Another application dated 8-2-1985 sent by him was also got exhibited as M2. He has admitted that no medical certificate was sent by him in support of his illness. Management in support of his case produced Shri Dayal Mathur who filed his affidavit Ex. M3. He also produced leave application of the workman Ex. M4(M1), Ex. M5 certified Standing order of Salal Hydro Electric Project and also relied documents Ex. M6 to M9 showing to the effect that the petitioner was in the habit of remaining absent and were issued notices. The management also replied Ex. M10 the termination order dated 3-1-1986 terminating the services of the petitioner w.e.f. 11-1-1985, Ex. M11 the telegramme sent by the respondent to the petitioner directing him to resume duty on or before 25-11-1985. In cross-examination he has admitted that the petitioner was never charge sheeted and there is no adverse entry in the service book of the workman.

5. I have heard the parties and gone through the evidence and record. Both parties have filed written arguments. The representative of the workman has strongly argued that the striking off the name and abandonment of job is held by the Hon' Supreme Court as 'retrenchment' in the case of Punjab Land Development and Reclamation Corp., Ltd. and Others reported in 1990 I.L.J. Vol. 11 page 70 and has also argued that thus the respondent has violated Section 25-F of the I.D. Act and the workman is deserved to be re-instated. Contention of the representative of

the workman is without any force. The services of the petitioner is governed by Certified Standing Order of the Salal Hydro Electric Project. The relevant Standing order 17 is reproduced under :—

"If any workman remaining absent unauthorisedly or beyond the period of leave originally granted or subsequently extended and approved, for a period exceeding eight consecutive days, he shall be considered as having voluntarily abandoned his employment and left the services of the project without due notice and his name shall be struck off the rolls of the project with effect from the date of such absence. However, if a workman reports back for duty within one week of the issuance of termination letter and explains to the satisfaction of the management the reason for his unauthorisedly absence from duty, the competent authority may, at its discretion, take him back on duty as it may deem fit."

6. From a resume of facts as set out above, there can be no manner of doubt that the workman remained absent without leave for eight consecutive days and in terms of Clause 17 of the Certified Standing Orders, he must be deemed to have voluntarily abandoned his employment and his employment is thereby automatically terminated. The medical certificate of fitness (not exhibited) issued by the doctor who was merely a physician and not a neurologist who could treat mental illness as claimed by the workman can not be said to be amount to an explanation of absence without leave for about two years as envisaged in the relevant Standing Orders particularly when the provision therein that the said explanation is to be to the satisfaction of the Dept head. It is now well settled by the authoritative judgment of the Hon' Supreme Court reported in 1964 SC 1272 Buckraghian and Carnatic Co. Ltd. Vs. Venkatesh and AIR 1968 SC 33 National Engineering Industry Ltd. Vs. Hanuman, that certified Standing have statutory force under the Industrial Employment (Standing orders) Act 1946.

7. The authority of the Hon' Supreme Court in case of Punjab Land Development and Reclamation Corp., Ltd. (Supra) has no application in the circumstances of the present case as the petitioner himself remained absent for about two years and presumed to have left the services of the project of his own and his name subsequently strike off from the roll of the project. Therefore, the termination of the services of the workman was a result of his absence without leave or permission and this squarely covered by exclusion clause contained in Section 2(a)(bb) of the I.D. Act 1947. If any authority is needed 1990(1) I.L.J. page 87 Bharat Heavy Electrical Ltd. Vs. R. V. Krishna Rao can be read in this regard.

In 1990 (1) I.L.J. page 493 the Tata Engineering and Locomotive Co. Ltd Vs. Presiding Officer Industrial Tribunal Ranchi and another it was held that continuous absence without permission or leave is a misconduct and the management could proceed against the workman on this ground. It was also held that if no formal charges was delivered the discharge from service can not be held to be bad in law.

In 1959(1) I.L.J. 450 M's. Burn & Co. Vs. their workman, it appears that one H. D. Roy happened to be General Secretary of the Union. He has been systematically absenting himself without permission. He did not apprise the Company of his whereabouts. His services were dispensed with on the ground of continued absence. Hon' Supreme Court observed that conduct of Roy was highly irregular and there should have been an application for leave. The Supreme Court also held that Roy was not entitled to any relief and reversed the order of retrenchment passed by the Tribunal.

8. In view of the discussion in the earlier paras, and following the ratio laid down by judgements cited above the action of the management in terminating the services of the workman was justified and the petitioner is not entitled to any relief. Ministry be informed.

Chandigarh.

ARVIND KUMAR, Presiding Officer.
[No. L-42012/159/87-D.II(B)PH.]

का. अ. 2367.—औद्योगिक विवाद अधिनियम, 1947 (1947 का 14) की धारा 17 के अनुसरण में, केन्द्रीय सरकार उत्तर रेलवे लखनऊ के प्रबन्धतंत्र के संबद्ध नियोजकों और उनके कर्मकारों के बीच, अनुबंध में निर्दिष्ट औद्योगिक विवाद में केन्द्रीय सरकार औद्योगिक अधिकरण, कानपुर के पंचपट को प्रकाशित करती है, जो केन्द्रीय सरकार को 26-8-91 को प्राप्त हुआ था।

S.O. 2367.—In pursuance of Section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Central Government Industrial Tribunal, Kanpur as shown in the Annexure, in the industrial dispute between the employers in relation to the management of Northern Railway, Lucknow and their workmen, which was received by the Central Government on 26-8-91.

Lucknow.

Opp. Party.

AWARD

1. The Central Government, Ministry of Labour, vide its notification No. L-41011/28/89-J.R.(DU), dt. 4-10-1989, has referred the following dispute for adjudication to this Tribunal :

“Whether the Divisional Railway Manager, Northern Railway, Lucknow was justified in terminating the services of Shri Sheo Mohan and 8 others w.e.f. from the dates given against each workmen as per the list enclosed? If not, what relief the workmen concerned are entitled to?”

2. In the instant case dates 10-4-91, 7-5-91 8-5-91, 9-5-91 and 26-6-91 were fixed for filing of affidavit evidence by the Union in support of their statement of claim but it was not filed by the Union. The case is lingering on since 8-4-91 for want of affidavit evidence by the Union. Despite availing of sufficient opportunity the Union did not file the same. It thus appears that the Union is not interested in prosecuting the case of the workmen.

3. Therefore in the circumstances of the case a no claim award is given against the Union/workmen.

4. Reference is answered accordingly.

In the matter of dispute between :

Shri Vijai Shanker,
C/o Sh. S. N. Tewari,
119/75—154 Nasirabad,
Kanpur.

AND

Department of Telecommunication,
C/o D.E.T. Office,
Kapurthala Bagh, C-13,
Chandra Niwas Aliqani,
Lucknow.

AWARD

1. The Central Government Ministry of Labour, vide its notification No. L-40012/17/90-I.R.(D.U.) dated 22nd November, 1990, has referred the following dispute for adjudication to this Tribunal:—

Whether the action of the management of Department of Telecommunication (D.T.) Lucknow in terminating the services of Shri Vijai Shanker w.e.f. 16th October, 1985 is justified? If not to what relief the concerned workman is entitled to?

2. The workman's case in short is that he had worked as a casual labour on daily wages with the management from 5th February, 1988 to 15th October, 1988. Thereafter his services were terminated in violation of the provisions of section 25F I.D. Act and 25N I.D. Act. The order being void ab-initio, he should be reinstated in service with full back wages.

3. The case proceeded ex-parte against the management. In support of his case the workman examined himself and while examining himself he tendered in evidence his affidavit dated 9th August, 1981 filed by him today. From the details given in the affidavit it appears that he had worked for 245 days during the period 5th February, 1988 to 5th October, 1988. He has also deposed that till the time of termination of his services he was neither given any notice nor he was paid any retrenchment compensation.

4. There being no evidence from the side of the management to controvert the above facts, the order of termination

is held as void ab-initio, being in violation of the provisions of sec. 25F I.D. Act.

5. Held that the action of the management in terminating the services of the workman Shri Vijai Shanker w.e.f. 16th October, 1988 is neither legal nor justified. Consequently he is held entitled to his reinstatement with full back wages on his furnishing an affidavit to the effect that he did not remain in gainful employment since 16th October, 1988 till the date of his reinstatement.

6. Reference is answered accordingly.

New Delhi, the 3rd September, 1991

S.O. 2373.—In pursuance of Section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Industrial Tribunal, Ahmedabad as shown in the Annexure, in the industrial dispute between the employers in relation to the management of Western Railway, Ajmer and their workmen, which was received by the Central Government on 28th August, 1991.

ANNEXURE

BEFORE SHRI N. A. CHAUHAN, PRESIDING OFFICER,
INDUSTRIAL TRIBUNAL (CENTRAL) AT AHMEDABAD

Reference (ITC) No. 28 of 1990

ADJUDICATION BETWEEN

Western Railway, Ajmer.

AND

The workmen employed under it.

In the matter of transfer of Shri O. P. Vishvanath, Guard from Gandhidham to Abu Road.

APPEARANCES :

First Party ex-parte.

Shri N. R. Mehta—for the second party.

AWARD

This reference under Section 10(1)(3) of the Industrial Disputes Act, 1947 (hereinafter to be referred as 'the Act') is referred by the Central Government vide Order of the Labour Secretary bearing No. L-41012/57/89-IR(DU) for determining the industrial dispute arising between the parties.

2. The dispute referred is whether the action of the management of Divisional Railway Manager, Western Railway, Ajmer in transferring Shri O. P. Vashistha, Guard from Gandhidham to Abu Road is justified? If not, to what other relief the workman is entitled?

3. The facts giving rise to the above referred industrial dispute are not much in dispute. The concerned employee Shri O. P. Vashistha was Passenger Guard, Gandhidham in February, 1989. He was due for retirement at the end of August, 1989. By the Order dated 17th February, 1989, he

was promoted as Mail Guard and posted at Abu Road. This order of promotion was received by him on 24th February, 1989. On that very day he made representation to the Senior Divisional Operating Superintendent, Western Railway, Ajmer Division, Ajmer, requesting him to post him as Mail Guard in Gandhidham itself instead of Abu Road. He brought to the notice of the Officer concerned that as per Circular issued by the Divisional Manager, Ajmer, bearing No. EP/Est Personnel 839/0 dated 27th October, 1988, he was entitled to posting at Gandhidham because he was to retire within a period of one year. It appears that this request was not accepted and, Shri Vashistha did not join at Abu Road and ultimately retired as Passenger Guard, Gandhidham at the end of August, 1989. Thereafter his Union viz. Western Railway Mazdoor Sangh raised an industrial dispute before the Labour Commissioner (Central), Ahmedabad, contending that the action of the Divisional Manager, Ajmer in giving a posting to Shri Vashistha at Abu Road as Mail Passenger Guard was unjust and, therefore, Shri Vashistha has suffered a pecuniary loss and that should be compensated to him. The Labour Commissioner (Central) could not settle the dispute and, therefore, the present reference is made.

4. The second party has filed statement of claim at Ex. 6, inter alia, contending that as per the agreement arrived at between the two unions or the employees it was agreed by the management that if a person who has to retire within a period of one year is to be promoted then he will be given promotion at the place of original posting. It was also agreed that if the post of promotion is not available at that station even then he would be given promotion at that very place by transferring the post which has fallen vacant at other station. In view of this settlement Shri Vashistha was entitled to promotion as Mail Guard, Gandhidham as he was to retire at the end of August, 1989. In this statement of claim similar instances of transferring the post in case of employees who were to retire within a span of one year are also mentioned. Relying upon this understanding between the two unions and the management it has been contended that Shri Vashistha could have been given a posting as Mail Guard at Gandhidham but that has not been done by the management and therefore the loss suffered by Shri Vashistha should be compensated to him as by that time he has retired.

5. In the original letter of reference through mistake the officer of the Labour Secretariat disclosed the name of Divisional Railway Manager, Western Railway, Kota, instead of Ajmer. Therefore, notice was issued to the Divisional Manager, Western Railway, Kota but the Divisional Manager informed that Shri Vashistha was not serving under that division. This fact was brought to the notice of the Labour Secretariat Central Government and therefore it issued a Corrigendum dated 30th January, 1991, the copy of which is at Ex. 8 wherein it is mentioned that in the original letter of reference instead of Kota it should be read as Ajmer. The copy of this corrigendum is endorsed by the Officer of the Labour Secretariat to the Divisional Manager, Western Railway, Ajmer. Thereafter a notice dated 2nd April, 1991, calling upon the Western Railway to appear before this tribunal on 25th April, 1991 was served but none has appeared.

6. The second party has relied upon mainly the documentary evidence produced vide list Ex. 9. At Sr. No. 2 is the Circular dated 27th October, 1988 issued by the Divisional Officer, Western Railway, Ajmer. In this circular it is mentioned that after consultation with two trade unions (viz. Western Railway Mazdoor Sangh and Western Railway Employees Union) it has been decided that an employee who has to retire within a period of one year is to be promoted to a higher post then his promotion should be at the station from which he is promoted. It is also clarified that if the post of promotion is not available at that station even then he should be promoted at that station by transferring the post of promotion to that station from the station where it has fallen vacant. In view of this circular Shri Vashistha was entitled to promotion as Mail Guard, Gandhidham when he was promoted vide Order dated 17th February, 1989 as he was to retire at the end of August, 1989 i.e. within a period of one year from the date of promotion. The first party has not brought to the notice of this Tribunal as to why the benefit of this circular was not given to the concerned employee. It was the duty of the first party to show as to why it was not possible to post Shri Vashistha as Mail Guard, Gandhidham. The only plausible explanation can be that the post of Mail Guard had fallen vacant at Abu Road but it is clearly provided in the above referred circular that a person who

has to retire within a period of one year is to be accommodated by transferring the post of promotion to the place where the retiring employee is stationed. This circular was issued during October, 1988. It is quite possible that the request of Shri Vashistha might not have found favour on account of ignorance of this circular as it was issued in the recent past. In any event, the demand of Shri Vashistha that his promotion should have been given at Gandhidham is quite genuine. Hence it requires to be held that the Management of the Western Railway, Ajmer, has not done justice to Shri Vashistha and, therefore, Shri Vashistha has been deprived of the post of promotion since February, 1989. He requires to be compensated for this unjustified act of the management. Hence the following order:—

ORDER

The action of the management of Divisional Railway Manager, Western Railway, Ajmer in not giving posting to Shri O. P. Vashistha as Mail Guard, Gandhidham, is declared unjustified hence the Divisional Railway Manager, Western Railway, Ajmer is directed to compensate Shri Vashistha for this unjustified act. Shri Vashistha should, therefore, be deemed to have been promoted as Mail Guard Gandhidham since February, 1989 and he should be given benefit of the scale of post of promotion. He should also be given retirement benefits on the basis that he has retired as Mail Guard in the scale of Rs. 1400—2600. Considering the peculiar facts of the case, the parties are directed to bear their own costs.

S.O. 2374.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Central Government Industrial Tribunal, No. 2, Bombay as shown in the Annexure in the industrial dispute between the employers in relation to the management of International Airports Authority of India, Bombay and their workmen, which was received by the Central Government on the 28-8-91.

ANNEXURE

BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL NO. 2, AT BOMBAY

PRESENT :

Shri P. D. Apshankar, Presiding Officer.

Reference N. CGIT-2/39 of 1990

PARTIES :

The employers in relation to the management of International Airports Authority of India, Bombay.

AND

Their Workmen.

APPEARANCES :

For the Employer—Shri S. S. Padi, Advocate.

For the Workmen—No appearance.

INDUSTRY : Aviation

STATE : Maharashtra

Bombay, dated the 22nd August, 1991

ORDER

The Central Government by their order No. L-11011/8/90-IR(Misc.) dated 14-11-1990 have referred the following industrial dispute to this Tribunal for adjudication under section 10(1)(d) of the Industrial Disputes Act, 1947.

"Whether the action of the management of International Airports Authority of India, Bombay, in changing the eligibility criterion of the departmental candidates for the post of Security Supervisor from matriculation to graduation, is legal and justified. If not, to what relief the workmen concerned are entitled?"

2. Notices were issued to both the parties of the dispute referred to this Tribunal for adjudication. The Advocate for the Management appeared before this Tribunal on 14-2-1991. The notice was duly served upon the Union, and the Union was directed to appear before the Tribunal on 29-4-1991. However, nobody from the Union appeared before the Tribunal on that day, or on any other day till today.

3. As the action in question of the management was challenged by the Union, it was for the Union to file the necessary statement of claim, and thereafter to prove that the action in question was illegal and unjust. However, as nobody from the Union appeared before this Tribunal till today and did not file any statement of claim in support of its say, the present reference stands disposed off.

22-8-1991.

Madan Lal

Versus

Life Insurance Corporation of India.

For the workman—Shri Chaman Lal.

For the Management—Shri J. P. Sandhu.

AWARD

Central Government vide Gazette Notification No. L-1/012/52/87-D.IV(A) dated 6-11-87 issued U/s. 10(1)(d) of the I.D. Act, 1947 referred the following dispute to this Tribunal for decision :

"Whether the action of the management of L.I.C. of India in terminating the services of Shri Madan Lal at their Ambala City Branch, w.e.f. 25-8-1986, is justified? If not, to what relief the concerned workman is entitled to and from what date?"

2. Case of the petitioner as set out in the claim statement that the petitioner had worked with the respondent from 10-6-85 to 2-9-85, 7-9-85 to 30-11-85, 3-2-85 to 27-2-86, 3-3-86 to 31-5-86 and 1-6-86 to 28-8-86 as caretaker. It was further alleged that candidature of the workman was sponsored by employment exchange Ambala Cantt and he was engaged though on temporary basis yet against permanent vacancy as a caretaker (Chowkidar) at Ambala. It was further alleged that respondent management vide its letter dated 23-8-86 terminated his services w.e.f. 25-8-86, although he was required to work up to 28-8-86. It was further alleged that the workman had to perform infact duties for 24 hours and had been liable for the safety and security of the property of the respondent. It was further alleged that on the termination of the petitioner he was replaced by another applicant in the name of Ishwar Dass. It was further alleged that the workman earned his right to be confirmed in service as he had worked for 349 days within a period of 12 months between 10-6-85 to 10-6-86 and continued working even thereafter till the date of termination. It was also alleged that during the days in between two appointments as shown as 'break' the applicant had to perform duties as usual although he was not paid any wages for so called 'breaks'. It was further alleged that the junior workman Ishwar Dass had been regularised in service of the respondent and the workman was denied such regularisation. It was further alleged that the petitioner worked against a permanent post which still continue to exist for more than 240 days and junior has also appointed as replacement of the petitioner and prayed for reinstatement/confirmation into the service.

3. The respondent contested the claim of the petitioner. The management took plea that the petitioner was appointed as caretaker on temporary basis on 10-6-85 and his services can be terminated at any time without giving him any notice and without assigning any reason as per the terms of appointment and thus his services were terminated on 25-8-86. It was stressed that the workman was not eligible for the regularisation of the services as he was only a middle pass and did not possess requisite qualifications of 9th pass for consideration of the regularisation in service. The respondent also laid stress that the services were terminated w.e.f. 25-8-86 and not from 28-8-86. It was also contested that the workman was appointed purely on temporary basis from time to time from 10-6-85 to 25-8-86 less than for the period of 90 days at a time. It was also pressed that the workman has illegally, wrongly and unauthorisedly marked his attendance in the attendance register on 26th to 28th August, 1986 when he already stood relieved on 25-8-86 forenoon. It was also stressed that the services of the workman were terminated purely in accordance with the terms and conditions of the appointment letter and therefore workman has no case and same may be dismissed.

Replication was also filed reiterating the case as in the claim statement.

4. In support of his case petitioner filed his affidavit Ex. W1 in evidence and tendered Ex. W2 appointment letter dated 10-6-85, Ex. W3 another appointment letter dated 6-9-85, Ex. W4 appointment letter dated 5-12-85, Ex. W5 appointment letter dated 3-3-86, Ex. W6 appointment letter dated 1-6-86, Ex. W7 appointment letter dated 7-5-85 and Ex. W8 the termination order dated 23-8-86 terminating his

services w.e.f. 25-8-86. In cross examination he admitted that he is 8th pass.

Respondent management produced Shri S. K. Jatana administrative officer who filed his affidavit Ex. M1 in evidence and produced himself MW1. He admitted that the petitioner had worked from 10-6-85 to 25-8-86 with 'breaks'. He denied the suggestion that the petitioner Madan Lal worked during the period of 'breaks'. He also admitted that Madan Lal was never charge sheeted during his tenure, he has also admitted that Ishwar Dass was appointed after the termination of Madan Lal. He has also admitted that the qualification for the care-taker is 9th class pass. However petitioner was only middle pass and there is no provision of relaxation qua the qualification. He also admitted that no retrenchment compensation was given to Madan Lal.

I have heard both the parties and gone through the evidence and record. The counsel for the management has laid his stress that there is no violation of Section 25-F of the I.D. Act as workman had not completed 240 days in the previous year to be retrenchment and further stressed that the workman was not eligible for the regularisation of service as he was a middle pass and requisite qualification for the caretaker is 9th pass for the consideration of the regularisation. Contention of the counsel of the management has no force. The petitioner had worked with the respondent from 10-6-85 to 25-8-85. During this spell the respondent resorted to unfair labour practice in creating artificial break in service to deprive him the benefit of continuous service. The appointment letters are Ex. W-2 to W-7. The repeated orders of appointment and termination of services of the workman were passed only with a view to by pass the provisions of Section 25-B of the I.D. Act, 1947 as the whole purpose behind passing these orders was to deprive the workman of his right under the act by not allowing him to actually work for 240 days. If any authority is needed 1985 (2 S.L.R. 437 Ferozepur Central Co-operative Bank vs. Presiding Officer Labour Court and another can be read in this regard.

Further in Rattan Lal vs. State of Hariana (1985) 4 S.C.C. 43 it was held that giving adhoc appointment for defined periods and renewing them after a fictional break year after year was deprecated as pernicious and as leading to a breach of article 14 and 16 of the Constitution and similarly Hon'ble Supreme Court 1990 L.L.J. page 220 in case breach of article 14 and 16 of the Constitution and similar judgment Corporation has held that :

"In our view, three years' experience, ignoring artificial break in service for short period created by the respondent in the circumstances, would be sufficient for confirmation."

6. The main controversy centres around the question whether the petitioner possess requisite qualification to hold the post. The plea of the counsel for the management is that the qualification for the post is 9th pass whereas the petitioner is of 8th pass and therefore he can not be absorbed to the said post. It is again devoid of any force in view of the ratio laid down by the Hon' Supreme Court in Bhagwati Prasad's case (Supra) in which has been held that :

"The indisputed facts are that the petitioners were appointed between the period 1983 and 1986 and ever since, they have been working and have gained sufficient experience in the actual discharge of duties attached to the posts held by them. Practical experience would always aid the period to effectively discharge the duties and is a sure guide to assess the suitability. The initial minimum educational qualification prescribed for the difference posts is undoubtedly a factor to be reckoned with, but it is so at the time of initial entry into the service. Once the appointments were made as daily rated workers and they were allowed to work for a considerable length of time it would be hard and harsh to deny them confirmation in the respective posts on the ground that they lack the prescribed educational qualifications."

In view of the ratio laid down in Bhagwati Prasad's case (Supra) it does not lie in the mouth of the management at this stage that the petitioner does not possess requisite qualification when he had earlier given appointment on the basis of these qualification and continued to work on the said post for a sufficient time.

7. In view of the observation made in the earlier para the termination of the services of the petitioner is certain had in he eyes of law and the termination order is quashed. The Respondent Management directed to reinstate the petitioner in service with full back wages with 9 per cent interest from the date of the termination till re-instatement with all consequential benefits. The Management also directed to comply these order within two months from today.

Chandigarh.

Bombay, dated the 22nd August, 1991

AWARD

The Central Government by order No. L-12012/440/90-IR (B-II) dated 04-05-1991 have referred the following industrial dispute to this Tribunal for adjudication under section 10(1)(d) of the Industrial Disputes Act, 1947.

"Whether the action of the management of Union Bank of India in relation to its Market Yard branch, Sanoli, in not appointing Shri V. S. Pote, Clerk as Head Cashier, with retrospective effect is justified? If not, what relief the workman is entitled to?"

2. Both the parties appeared in pursuance of the notices issued to them by this Tribunal. However, before filing any statement of claim by the Union, and before the filing of any written statement by the Bank Management, both the parties arrived at an amicable settlement and filed their terms of settlement, which are thus :—

- (a) It is hereby agreed between the parties that higher assignment of relieving Head Cashier will be offered to Shri V. S. Pote with effect from 16-8-1991 at Civil Hospital Branch, Sangli.
- (b) That the services of Shri V. S. Pote will be used for making relieving arrangements for the post of Sangli Cashier in the Sangli District.
- (c) That the workman hereby agreed that this memorandum of settlement is full and final settlement of all his claims in the present dispute.

3. The said settlement has been signed by the workman himself and by this representative, and also an officer on behalf of the Bank management. I find that the said settlement is quite in the interests of both the parties. As such, I accept it. The Award is, therefore, drawn in terms of the said settlement.

APPEARANCES :

For the Management—Shri R. S. Pai, Advocate.

For the Workmen—Shri C. L. Dudhia, Advocate.

INDUSTRY : Banking

STATE : Maharashtra

Bombay, the 21st August, 1991

AWARD

The Central Government by their order No. L-12012/722/D.II (A) dated 30-09-1988 have referred the following industrial dispute to this Tribunal for adjudication under section 10(1)(d) of the Industrial Disputes Act, 1947.

“Whether the action of the management of Bank of Baroda in terminating the services of Shri R. G. Gogwala, Shri I. S. Poojari, Shri H. P. Maladkar, and Shri P. R. Bagada is justified ? If not, to what relief are the workmen concerned entitled ?”

2. The Organising Secretary of the Bank of Baroda Employees' Union filed their statement of claim challenging the said action of the Bank management.

3. The Manager (Industrial Law) of the Bank filed the necessary written statement supporting the said action of the Bank management.

4. The necessary Issues were framed on the basis of the pleadings of the parties.

5. Therefore, while the reference was at the stage of the evidence, both the parties came to an amicable settlement and filed their terms of settlement, which are thus :—

- (1) The Bank agrees to reinstate in service all the four workmen in their respective posts without any back wages or any other incidental benefits, and the Union and the workmen hereby accept the offer of reinstatement and agree that the workmen shall join the services of the Bank without any back wages and other incidental benefits.
- (2) The Bank shall give fitment to all the said four workmen on the basis of their last drawn wages in accordance with the grade applicable to them as per 5th Bi-partite settlement.
- (3) The parties agree that unauthorised absence of the workmen and the period between the date of termination of each of the workmen and the date of their reinstatement would be treated as leave without pay and the Union and the workmen hereby confirm that the said period shall not qualify for any increments to any of the four workmen on reinstatement under this Settlement.
- (4) Each of the four workmen would give an undertaking in writing to the Bank stating therein that he shall not repeat any such misconduct.

6. The Settlement has been signed by the Advocates for the Union, and of the Bank, and also by the four workmen in question, and by the representative of the Union and of the Bank. I find that the said Settlement is quite in the interests of both the parties. As such, I accept it.

7 Therefore, the Award is drawn in terms of the said settlement.

Dated : 21-08-1991.

P. D. APSHANKAR, Presiding Officer

ANNEXURE

BEFORE SHRI ARJAN DEV. PRESIDING OFFICER,
CENTRAL GOVERNMENT, INDUSTRIAL TRIBUNAL,
PANDU NAGAR, DEOKI PALACE ROAD, KANPUR

Industrial Dispute No. 197 of 1990

In the matter of dispute

BETWEEN

The Divisional Secretary Central Bank of India Employees Association Union Bareilly Region 470 Bareilly-243001.

AND

The Regional Manager Central Bank of India 88-B Civil Lines Bareilly-243001.

AWARD

1. The Central Government, Ministry of Labour, vide its Notification No. I-12012/209/90-TR-II dated 13th September, 1990, has referred the following dispute for adjudication to this Tribunal :

Kya Central Bank of India ke Prebhandhantantra dwara Shri Deepak Khanna ko dinak 25-10-85 se sewa se nishkashit karna vaidya aur nyayochit hai ? Yadi nahi to karamkar kis anutosh ka adhikari hai ?

2. In the instant case the management on 12-6-91 moved an application with the prayer that in view of the application of the workman addressed to the Tribunal given to the management, the case may be decided as no dispute award. On the said application of the management a notice was issued to the Union raising the present dispute to show cause why the case may not be decided in view of the application of the management moved on 12-6-91 by 10-7-91. On 10-7-91 from the side of Union Shri A. K. Shukla, General Secretary for the Union appeared and submitted that the Union has no objection to the management's application dated 12-8-91 being allowed. Therefore taking into consideration the application dated 25-4-91 addressed to the Tribunal of the workman filed by the management and the facts stated in management's application dated 12-6-91, a no claim award is given in the instant case.

3. Thus in view of the application dated 12-6-91 of the management and application dated 25-4-91 of the workman addressed to the Tribunal and filed by the management alongwith its application dated 12-6-91, a no dispute award is given in the case

ANNEXURE

BEFORE SHRI ARVIND KUMAR, PRESIDING OFFICER
CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-
CUM-LABOUR COURT, CHANDIGARH

I. D. 116/89

B. R. Thakur

Versus

Punjab National Bank

For the workman—Shri R. I. Kaith.

For the management—Shri Ramesh Thakur.

AWARD

Central Government vide Gazette Notification No. I-12012/112/89-D-II (A) dated 26th July 1989 issued U/S 10(1)(d) of the I. D. Act 1947 referred the following dispute to this Tribunal for decision :

"Whether the action of the management of Punjab National Bank in not posting Shri B. R. Thakur as clerk/cashier-in-charge at their branch office Hamir-

pur in December, 1987/January, 1988 was justified? If not to what relief is the workman entitled?"

2. Claim set out in the claim petition by the workman that he was working as clerk-cum-typist in LBO office at Hamirpur and sent his option for the post of cashier incharge at the branch office Nalti on the basis of bank circular. It was also alleged that in the meantime on 26-12-87 post of Head Cashier fell vacant at Hamirpur and he immediately sent his request to withdraw his option for BO Nalti and consider his option for Hamirpur being a senior most in the town and eligible for the posting at Hamirpur. It was further alleged that respondent much against the set rules of law relieved him on 12-1-88 for further report at B.O. Nalti although his option for the post of cashier incharge B.O. Hamirpur neither rejected till 12-1-88 nor any order formally rejecting his claim was conveyed to him. It was further averred that the representation made to higher authorities upto the Zonal Manager but ultimately rejected his representation on 29-7-88. It was further averred that respondent management with a mala fide intention to deprive him of his rightful place at B.O. Hamirpur and to hide there sins took certain in decision in the back date. The decision not to cancel option for B.O. Nalti was never conveyed to him on or before 27-11-87. It was also averred while not posting him at cashier incharge at B.O. Hamirpur is illegal and arbitrary and against the settle policy of the bank, according to his local seniority at Hamirpur and was very much in position at B.O. Hamirpur on the fateful date on 26-12-87 and he was not even appointed cashier incharge on 27-11-87 when the branch was formally opened and claimed that he should be appointed as clerk-cum-cashier incharge at Hamirpur w.e.f. 26-12-87 and also claimed allowances.

3. The case was contested by the management. The objection was taken that no monetary loss was caused to the petitioner as the posts of both places carry equal special allowance. On merits the plea was taken that the petitioner himself was desirous for his post in as clerk-cum-cashier incharge at now opened office at Nalti. It was also submitted that the post of cashier incharge fell vacant at B.O. Hamirpur on 26-12-87. However the request of the petitioner for the post of clerk-cum-cashier incharge at B.O. Nalti was earlier considered and the orders were issued on 26-11-87. Further plea was taken that the representation of the petitioner dated 2-1-88 for the change of the option which was received in the office on 6-1-88 was rejected merely on the ground that his option for Nalti has already been considered and order were already posted on 26-1-87 and since the petitioner was already under transfer in the same post and that was too late to consider the change of option at that stage. It was further averred that various representation made by the petitioners were declined. It was denied that the management with mala fide intention transfer him at Nalti and these allegations are incorrect. It was also pleaded that the petitioner was relieved for his transfer office i.e. B.O. Nalti on 12-1-1988 and the post of clerk-cum-cashier incharge which fell vacant on 26-12-87 was filled after 12-1-1988 and prayed for the dismissal of the claim.

Replication was also filed by the workman re-iterating his claim as in the claim statement.

4. In support of his case the petitioner filed his affidavit Ex. W-1 in which he has deposed whatever he has stated in the claim statement. In cross-examination he has admitted that he was appointed at Hamirpur in the year 1982 and become typist-cum-clerk in the year 1985. He has also admitted that the special allowance for the clerk-cum-cashier incharge of the Nalti is the same as B.O. Hamirpur. He also admitted that he holds the post of chief advisor of the Union. The management also led evidence. MW-1 Daya Ram Asstt. Manager was produced who tendered his affidavit in evidence as Ex. M-2 and the reliance was placed on the document Ex. M-1. Circular Ex. M-3 the option given by the workman for Nalti on 2-9-87 Ex. M-4 is the transfer order dated 26-11-1987 on the basis of option of the petitioner for B.O. Nalti. Ex. M-5 is the orders rejecting the change of option dated 9-1-1988. Ex. M-6 is the correspondence Ex. M-7 is also a letter dated 8-8-88 Ex. M-8 is also a letter. Ex. M-9 to M-12 are the photocopies of outward despatch register. In cross-examination the management witness has denied that the petitioner was the senior most in the seniority list but has admitted that the post filled at Hamirpur Branch was according to the seniority list.

5. I have heard both the parties and gone through the file and documents. The representative appearing on behalf of the workman has strongly argued that the respondent/management has played hide and see with the petitioner and with mala fide intention not allowed to work at B.O. Hamirpur when the vacancy had existed prior to his relieving i.e. 12-1-88. It was also argued that the petitioner was the senior person and eligible of the post of B.O. Hamirpur. The stress was also laid that since the petitioner was the trade union leader and the management would not relish his appointment in the branch office Hamirpur on account of his trade union activities and thus transferred with ulterior motive. However arguments advanced by the representative of the workman are not convincing. On the bases of the circular Ex. M-1 for the post of clerk-cum-cashier incharge at Nalti the petitioner himself opted for that post vide Ex. M-3 dated 2-9-87 on the basis of which the management had already passed his transfer order Ex. M-4 dated 26-11-87. No doubt he was relieved on 12-1-88 when the post at B.O. Hamirpur had already existed w.e.f. 26-12-87 but it should not be forgotten that the transfer process consume a lot of time as apparent in the present case itself as the petitioner had opted for Nalti on 2-9-87 and the transfer orders could only be issued on 26-12-87 after a period of more than two months. This indicates how much a lengthy process involved in the case of transfer. Transfer of an employee is a matter of adjustment and accommodation to be made by the administrative authority concerned. It is solely within the power of the executive. Immunity against transfers would amount to gagging the right of the administration to administer and right of the employer to get the work at the time and place of choice and according to the administrative exigencies of the employer, which he wants to meet. In the J. K. Dave Vs. State of Gujarat and Others reported in (1) L.L.J. 1990 (95) The Hon'ble High Court held in saying that in transfer matters the courts can not interfere and have gone to the extend that even if there is some irregularity in passing order of transfer the same have got to be ignored unless the order of transfer is ex-facie shown to be passed as a measure of penalty or by way of victimization. The position in the present case is not such of penalty or victimization as the petitioner himself wanted his posting at Nalti and the same was done.

5. The representative of the workman also alleged mala fide at the hands of the management which is also without any force. According the material placed on the record particularly when it involves disputed questions of fact no firm finding of mala fide can be arrived as on the facts and circumstances of the present case merely because the petitioner is an office bearer of the union no inference can be drawn that the transfer has been effected in order to harass an office bearer or transfer was ordered for ulterior motives. The bonafides of the management have to be presumed unless otherwise shown. There is no material from the record to show the lack of bonafides of the management. The petitioner has miserably failed to show that his transfer was either mala fide or was extraneous considerations. Further the petitioner had been working at Hamirpur since 1982 and has completed more than 5 years at Hamirpur and as per guide lines laid down in Ashok Arora Vs. Union of India and Others reported in 1990 I.S.J. (Banking) page 368 (the Division bench of Punjab and Haryana High Court has held in L.P.A. No. 1633 of 1989 that the employer has a right to transfer and normally an employee with a stay of 5 years at a particular branch/office is liable to be transferred and there is no restriction imposed on the employer either by Sastri Award.

6. Next argument of the representative of the workman

that the office bearer can not be transferred is also devoid of any force in view of the judgement of the Ashok Arora Vs Union of India (Supra).

7. In view of the discussion of earlier para the action of the management in transferring the petitioner at Nalti on the basis of his option is justified and no interference is called for. Ministry be informed accordingly.

Chandigarh,

ARVIND KUMAR, Presiding Officer
